**Celebrate National Library Week
April 11th - 17th**

Communities Thrive @ your library

National Library Week is an annual celebration of the contributions of our nation's libraries and librarians. All types of libraries - school, public, academic, and special - participate.

Enjoy free access to books and computers, help with homework and job searches, music, movies, and much more.

Stop by during the week to help us celebrate our 5-star rating, which was awarded by the *Library Journal*.

**Food for Fines
during National Library Week**

"Pay" overdue fines with donations of non-perishable canned or packaged food items.

Each donated item will be equal to \$1.00 in fines. This program is for existing fines only; library materials must be returned before the donation can be applied to the fine.

Even if you don't have fines, your donations will be welcomed. All food items will be donated to the food bank at Holy Redeemer.

**Donate Used Eyeglasses Here
Lions Recycle for Sight**

The Avalon library is now a collection site for used eyeglasses. The box is located near the entrance to the library.

A phone call is all that's needed for us to check out and deliver library materials to homebound residents. Call 967-7155 for more information.

The library will be closed Easter Sunday, April 4th.
