**New Online Language Learning System  
Over 70 Languages!**

How do you pronounce the name of that volcano? Want to know more about Icelandic? Not Icelandic? Maybe one of the other 70 languages? Try BYKI.

**BYKI** (Before You Know It) is a powerful language-learning system that uses flashcards to teach you a set of words and phrases. The program also lets you choose your depth of learning: learn necessary words and phrases for a trip or go forward to learn an entirely new language.

Go to Resources on the library's Web page. Sign up with your library card number and then click "Sign Up" to create a personal username and password.

Gangi bér vel! Bonne Chance! Buona Fortuna! Buena Suerte! Good luck!

## One Less Bell to Answer

Tired of phone calls? Do you check your email more than your voice mail? If you answered yes to one or both of these questions, make sure the library has your email address and you will get an email when an item is ready and waiting for you. If you would like to participate in this service, stop at the circulation desk or call 967-7155 or toll-free 1-888-541-7279.

The recent update to our server also makes it possible to send automatic courtesy reminders for materials that are about to become overdue.
